

# Compatibility list of all V-TAC batteries

\* Battery SKU-11539 is compatible only with DEYE inverters (SKU-11529; 11537; 11542; 11543; 11547).

The communication is RS485 and CAN protocols.

\* Maximum allowed number of batteries, connected to one inverter  $\leq 4$  pcs.

In case your inverter is of different brand, please contact us to check for compatibility.
